## Pattern

This pattern is very simple and you can adjust the diameter by increasing/decreasing number of stitches (always in the way that your final number of stitches is divisible by 4).

Knit on circular needles, so you just mark the beginning by stitch marker and continue to knit in round.

Cast on 72 sts.

1. – 8. row -> \*2 sts knit, 2 sts purl\* - rep. \*-\* until the end of the row

9. – 34. row -> purl all sts

35. – 43. riadok -> \*2 sts knit, 2 sts purl\* - rep. \*-\* until the end of the row

Cast off and it is done!
